---	------------

***Notes:**

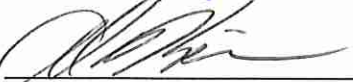

- Residential detached accessory sheds and detached garages less than 500 square feet require zoning permit only.
- Reroofing that involves the repair or replacement of any part of the building structure will require building permits. The Code Enforcement Officer may require structural analysis of the building structure by a registered engineer.
- Swimming Pool permit requires a building permit, a zoning permit, an electrical permit and a use and occupancy permit. Swimming Pools must meet the International Swimming Pool and Spa Code. In ground swimming pools will require a grading permit and a \$1,000.00 grading escrow.
- Signs over 20 square feet also require a building permit.
- Road opening permit escrow may be waved in whole or in part at the recommendation of the Township Road Master.
- Escrow can include the coverage of legal, engineering, construction inspections, and advertising costs. If costs exceed escrow amount, applicant will be billed the remaining balance and any unused funds will be returned. Escrow does not include project construction costs.

RESOLVED AND ENACTED THIS 6th DAY OF February, 2023.
